9. The poles should be delivered in the Railway wharf in Shimoga and Narasimharajpur Depots.

10. The successful tenderer or tenderers will be required to execute an agreement within a week from the date of acceptance of his or their tender or tenders embodying the following conditions failing which, the earnest money deposited by him or them will be forfeited to Government and the contract cancelled.

Conditions.

(a) No poles should be removed from the Forest without obtaining a pass-port from the Forest subordinate duly authorised.

(b) All poles for which pass-ports have been obtained should be delivered in the depot at the latest within one month of the issue of such passes. Any pole not reaching the depot within the above period will be treated as lost, and value thereof will be recovered from the contractor from the amount of the next bill due to him or if no amount due as arrears of land revenue.

(c) Payments will be made by the District Forest Officer, Shimoga, on presentation of bills, only for such poles as are passed in the Forest and covered by pass-ports and have been delivered in Shimoga Depot, on the authority of the Depot receipts

(d) The contractor shall abide by the rules of the Deapartment as regards kindling of fires and hold himself responsible for any offence committed by him or his agent employees or cartmen.

(e) The contractor's earnest money deposit will be retained as security for the due fulfilment of the contract and will be returned after his fulfilment.

(f) For breach of any of the terms of the contract, the Conservator of Forests, Shimoga, will be at liberty to forfeit to Government all or of any part of the security amount and even cancel the contract. The security so cancelled shall immediately be made good by the contractor.

(g) As regards any breach of the terms of the contract, the decision of the Conservator of Forests shall be final.

C. A. JABBAR,
District Forest Officer.

ENGINEERING DEPARTMENT.

NEW BANGALORE WATER WORKS DIVISION.

Dated 26th July 1930.

Notice is hereby given that sealed tenders will be received at the Office of the Executive Engineer, New Bangalore Water Works Division, Thippagondanhalli, Tavarekere Post, up to 5 P.M. of 11th August 1930, for supplying the undermentioned materials in the Material Yard at Thippagondanhalli. An approximate estimate of quantities is given below.

2. These quantities are not guaranteed.

3. The materials should be supplied on indents from this office as the demand arises and the period of contract would terminate on 30th June 1931.

4. The tenders should be accompanied by a statement in the form given, showing the rates at which the different items specified will be executed.

5. Each tender must be accompanied by a deposit of Rs. 50 in cash or Government Promissory Notes as earnest money and be superscribed "Tender for supplying the materials in the Material Yard at Thippagondanhalli", in default of which tenders will be rejected.

6. The final acceptance of any tender will rest with the Executive Engineer, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

7. Within eight days of the acceptance of the tender the successful competitor will be required to execute the usual contract bond in default of which his tender will be considered cancelled and his earnest money will be forfeited.

8. The name of the successful competitor whose tender has been accepted will be posted on the notice board in the Executive Engineer's Office in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

9. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.

10. The tenderer must quote specific rates for all items both in words and figures.

Abstract of quantities.

No.	Items	Per	Rate	Quantity
			Rs.	
1	Dindiga poles 4½' to 5' long, 3" to 4" diameter delivered at site.	100		5,000
2	Jungle wood sleepers 6' x 4" x6" ...	Each		500

Dated 2nd July 1930.

Notice is hereby given that sealed tenders will be received at the Office of the Executive Engineer, New Bangalore Water Works Division, Thippagondanhalli, Tavarekere Post, up to 5 P.M. of 14th August 1930, for supplying the fuel in the Material Yard at Thippagondanhalli. An approximate estimate of quantities is given below :—

2. These quantities are not guaranteed.

3. The material should be supplied on indents from this office as the demand arises and the period of contract would terminate on 30th June 1931.

4. A statement showing the specification for the supply of materials is annexed herewith. The tenders should be accompanied by a statement in the form given, showing the rates at which the items specified will be executed.

5. Each tender must be accompanied by a deposit of Rs. 250 in cash or Government Promissory Notes as earnest money and be superscribed "Tender for supplying the fuel in the Material Yard at Thippagondanhalli" in default of which tenders will be rejected.

6. The final acceptance of any tender will rest with the Executive Engineer, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

7. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond in default of which his tender will be considered cancelled and his earnest money will be forfeited.

8. The name of the successful competitor whose tender has been accepted will be posted on the notice board in the Executive Engineer's Office in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

9. On acceptance of one of the tenders the earnest money on rejected tenders will be returned.

10. The tenderer must quote specific rates for the item both in words and figures.

11. The tender may be for all items or any group of items of materials.

Statement of Materials required.

Serial No.	Particulars	Per	Rate	Quantity
1	Fuel	Ton	...	1,000

Dated 23rd July 1930.

STATEMENT SHOWING THE SPECIFICATIONS FOR THE SUPPLY OF FUEL TO ACCOMPANY THE NOTICE INVITING TENDERS.

1. The fuel should be of hard variety such as Jali, Thippajalu, Devadari, Chigari, Tamarind, Hiddarse, Neralay, Jack, Margosa and wood of light variety such as Basri, Mango Gorvi, Ala, etc., will not be accepted.

2. The wood shall be sawn into billets of 24 to 30 inches in length and 4½" to 9" in thickness. For billets of bigger size one anna per billet will be deducted from the bills. Roots of trees, will on no account be accepted.

3. The billets should be conveyed to the Stacking Yard at the work site and on the space allotted built into rectangular stacks each measuring 25' x 6' x 5' or 750 cubic feet being equivalent to 10 tons.

4. The rates quoted should be per ton and should include stacking in the material yard exclusive of seigniorage. The payment will be as per measurements of stack 75 C.ft. being taken equivalent to one ton.

5. The stacks should be built with sides vertical and top level laying the billets evenly and closely at right angles to the direction of sides and packing the interior and sides closely with pieces laid regularly in the lengths in all directions.

6. Soft wood and wood of light variety will be rejected and they should be immediately removed by the contractor at his own cost.

7. The measurements of stacks so formed will be taken a month later, thus allowing time for the fuel to dry. If the fuel stacks are not compact, suitable deductions will be made in the measurements.
